The patience of a parent . . .
 The understanding of a teacher . . .
 The discipline of a coach . . .

These qualities lead us to honor today a soft-spoken, modest gentleman of great talent on the athletic field, skill in the classroom, and dedication in coaching.

He was a 1954 graduate of Pottstown High School, where he lettered in football, basketball, and baseball. He returned to the Pottstown School District in 1964 when he taught at Central Junior High. He began his career at the high school in 1968 as a guidance counselor. Through the years this versatile instructor has taught social studies, English, psychology, and speech.

In his classroom we learn the meaning of both a good education and a good laugh, as he punctuates his teaching with his dry sense of humor. In our sports programs he was a football coach from 1971 to 1981. He has been a baseball coach for the past 13 years, the last ten years as head coach. He has motivated us to play our best and to live up to the name of Trojans.

His personality is enjoyed by all who come to know him. His patience makes us feel comfortable; his understanding allows us the ease to come to him with our problems; his discipline has enabled us to set high goals and achieve them.

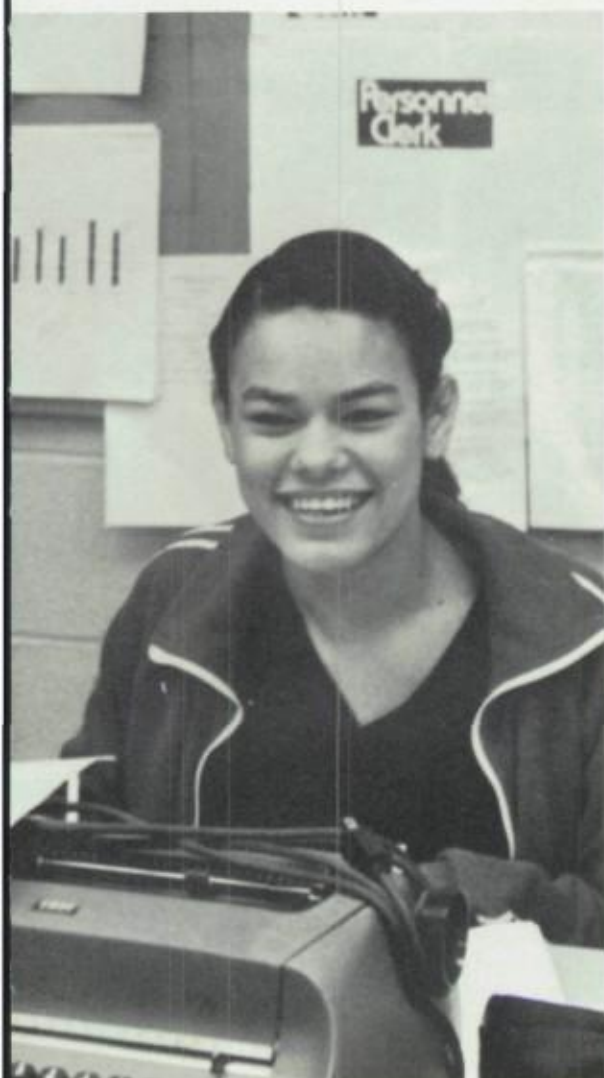

It is with heartfelt sincerity and gratitude that we dedicate the 1983 Troiad to . . .

Mr. William F. Lamb 1915-1982

In the spring of 1982 both the Pottstown School District and the world of music suffered a great loss with the death of Mr. William F. Lamb.

Mr. Lamb, born in 1915, was brought up within a musical ambience. His father was director of the Pottstown Band, and he bequeathed the position to Mr. Lamb in 1936. Mr. Lamb continued with the band until 1963. One year later he became the founder and director of the Pottstown Symphony Orchestra, which held its first performance on May 7, 1964. He also became band director of the Pottstown High School. He led the Trojan band through football games, cavalcades, and concerts for twelve years, up to and including 1980 when he and the band went on tour in Florida, performing at Disney World, Sea World, and Circus World.

In 1980, when illness forced him to give up his position as director of the high school band, he took on the job of supervisor of music for the school district for the next two years. He also continued as director of the Pottstown Symphony until his death.

William F. Lamb's life was filled with accomplishments and musical talent. He touched our lives. He is greatly missed.

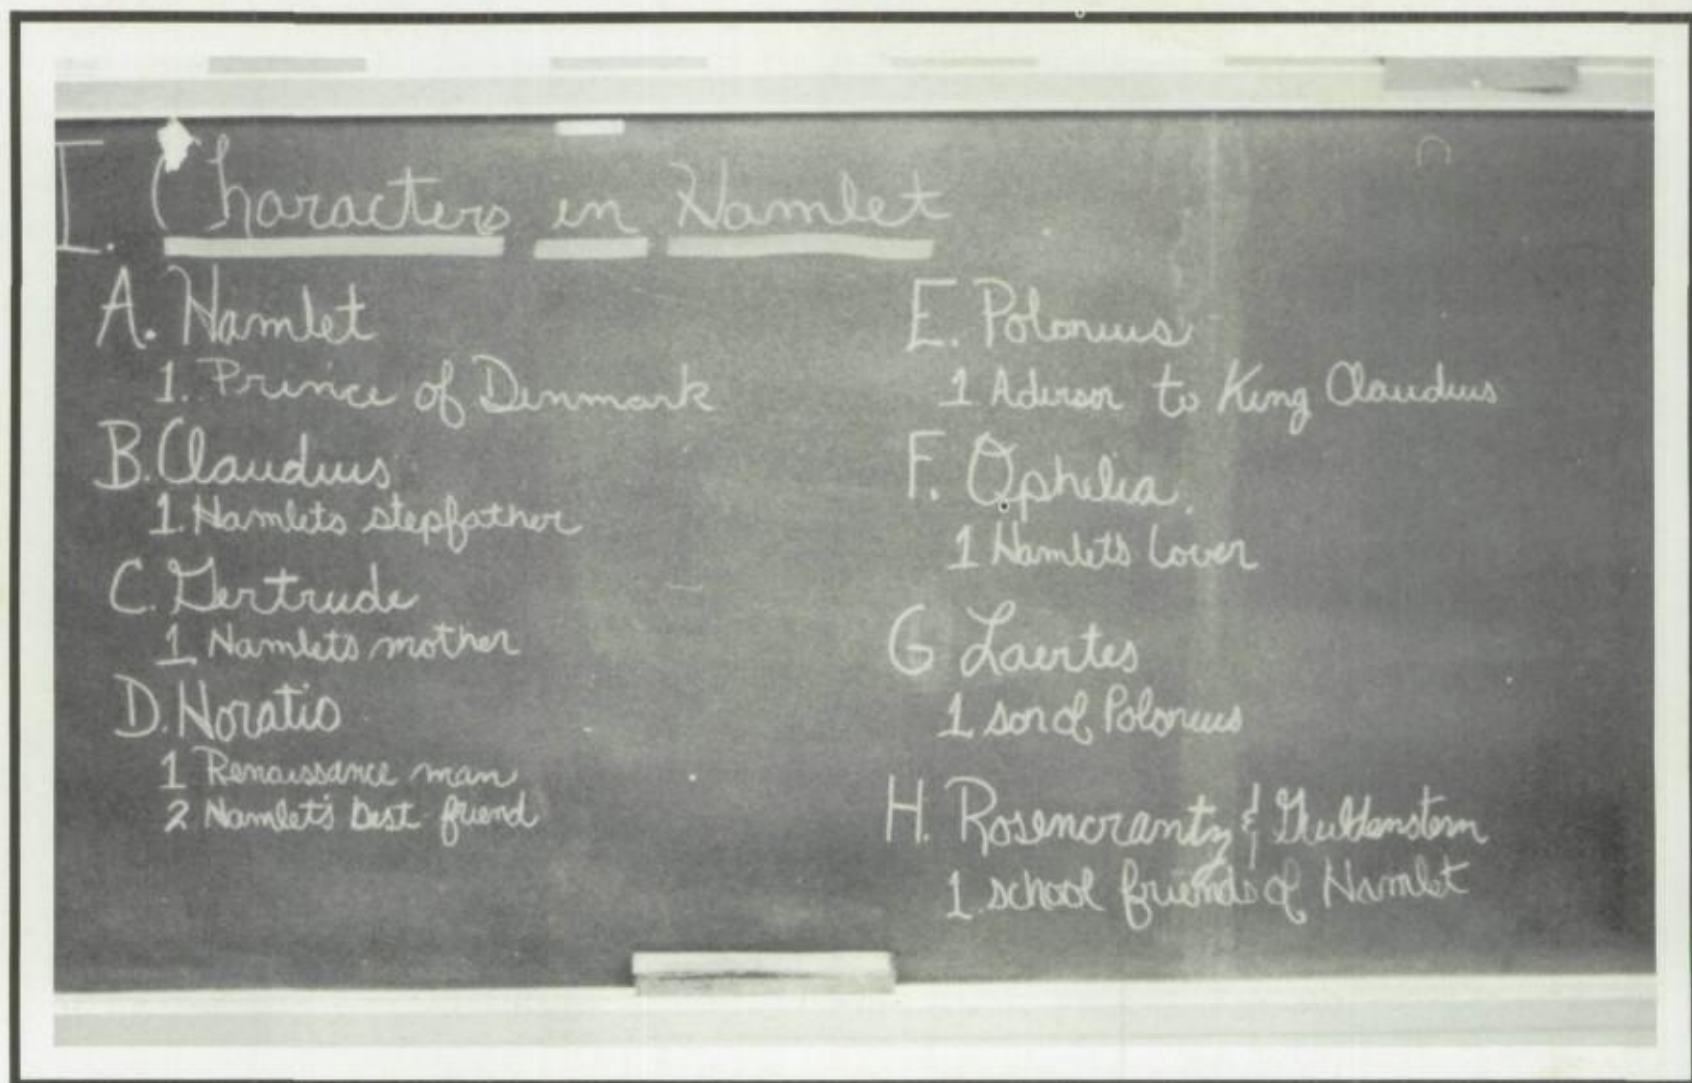

He has moved a little nearer
To the Master of all music.

College Prep Students Name Their Colleges

The college preparatory curriculum offered a wide variety of courses for those students planning to attend an institute of higher education. The course was not limited to college prep students; many business and vocational students enrolled in selected courses.

For the past five years emphasis has been placed on a writing program designed to improve the writing skills of all students with

special emphasis on the needs of college bound students who are required to take SAT tests, write research term papers, and prepare expository essays. The history and English departments combined in team teaching on a number of these projects.

Honors courses are offered in eleventh and twelfth grade English, and advanced biology, physics, and chemistry. Calculus and computer

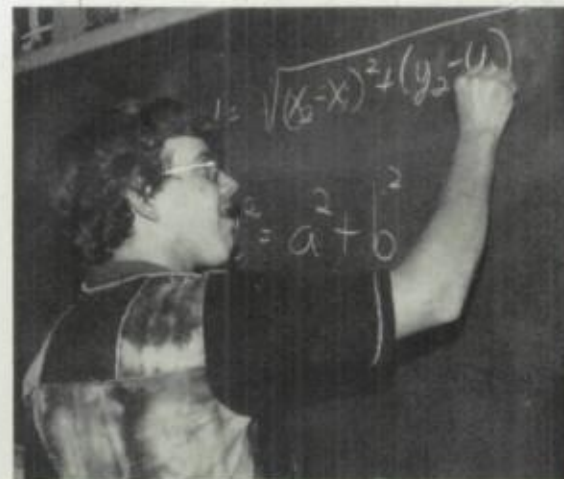

programming are also available.

In 1983 approximately 350 students were enrolled in the college prep program. Twenty to twenty-five percent of the entire student body entered college or some other institution. Of the 85 senior college prep students, a majority received scholarships, merit awards, or bonds, depending upon the academic accomplishments and individual talents.

Business Students Set Goals And Clear Obstacles

The business education program offered programs of study in data processing, secretarial, accounting, and clerical skills.

Nearly 25% of Pottstown High School students were classified as vocational business students. Almost 50% of P.H.S. students were enrolled in at least one business course. The

program allowed students to pursue academic goals while providing vocational skills.

Students in the course prepared themselves for jobs such as data entry clerk, computer operator, secretary, bookkeeper, figure clerk, file clerk, typist, and general office clerk.

Various department awards were earned by the senior students. They were the Philadelphia National Bank Stenography, Earl R. Strange, Norman S. Martin, Business and Professional Women's Club, and Colonial Personnel Service Award. In addition, students were eligible for other awards.

Vo-Tech Students Learn Their Respective Trades

The Pottstown High School department of vocational education has been progressing since 1926. In 1983 approximately 34% of the student body were enrolled in the eight vocational shops. The shops included automotive mechanics, machine trades, electronic technology, drafting, cosmetology, small appliance repair, construction trades and maintenance, and health assistants. These courses trained the

students in a cluster of knowledge and skills to prepare them for post-high school job placement.

The school year 1982-83 was the first year that all the vocational shops were once again located in the high school building. The "Annex" was phased out because of the progressive drop in student population.

Pottstown High School was one of six comprehensive high schools in Pennsylvania. Comprehensive means

that all forms of education ranging from vocational to college preparatory were conducted in the same building. As a result, students had the opportunity to take college preparatory academic subjects while they were enrolled in vocational shops. Many of these students were prepared to enter college or technical schools after graduation.

P.H.S. Special Services Provide For One And All.

Pottstown High School students were fortunate in having diversified special services. Some of these services helped the school as a whole, while others met the needs of individuals or developed individual talents and interests.

The cafeteria and custodial staffs were responsible for maintaining a healthy, attractive environment in the school. Guidance counselors provided

aid in scheduling courses and in making post-high school career plans. The physical education classes promoted good health and developed athletic ability. The library was a multi-media center for research in all areas. The full-time school nurse handled everything from physical examinations to common colds.

For those students with talent or interest in music or art, there were choir,

chorus, marching and concert bands, jazz band, and a full complement of art courses. Ten seniors were graduated as art majors. Home economics and industrial arts allowed students to pursue personal interests.

Occupational education provided two teachers for those students who needed more time and individual attention in order to learn.

Senior Wendy Stetler was one of ten art majors.

The Graduates Of '84 Add Class To Their Name

The junior class brought much honor and pride to Pottstown High School and received much respect in return. The sports teams were led by dominant juniors who posed threats to many athletes from rival schools and earned their places on the Page of Champions. They proudly sang, "Faithful and true-hearted, Let us cheer our dear Old High . . ." It was the grandmother of one of the members of

the Class of '84 who wrote the words to our Alma Mater!

Athletics and school pride were not all the juniors had to offer. Academics and drama were fields also pursued by many undergraduates. *The Perils of Lulu*, the class play, was a smashing success. Numerous students took the opportunity to show their academic excellence by qualifying to join the Honor Society.

The cabinet was busy planning the Prom, the 1984 class trip, and graduation. President Chris Martin accepted the Mantle from the senior class, and the class members took upon their shoulders the respect and responsibility of being seniors. They not only looked back upon the class they added to their name, but also looked forward to their senior year here at their "home" — P.H.S.

Students Of '85 Welcome Advisors With Class

The Class of '85 began the year by welcoming two new faces. Mrs. Donna Carpenter and Mrs. Darcie Brauner took on the challenge of being class sponsors for the first time. After several months they commented:

"We knew there would be a lot of work ahead, but the rewards were there also."

"It is impossible to meet everyone on a one-to-one basis simply by meeting them in the halls. But you really get to know the people who come out for cabinet meetings before and after school and for the fund raisers. You have to learn something about a person who is willing to put onions on hoagies at six o'clock in the morning."

"Although the class sales made a lot of progress, the attendance at class cabinet meetings could be better."

"The Class of '85 is an enjoyable group of people to work with. We are looking forward to the next two years."

The Class Of 1986 Makes A Name For Themselves

Last September, more than 300 disoriented freshmen walked through the high school doors for the first time. These ninth graders soon found out that their freshman experience would not be entirely pleasant. From being picked on by upperclassmen to being called last to assemblies, the freshmen had a tough year.

Freshmen . . .

- . . . had to use the junior high sports facilities.
- . . . were neither children nor adults.
- . . . found out what mid-terms and finals were.
- . . . sat where they could neither see nor hear assemblies.
- . . . were blown away in gym class.
- . . . suffered the consequences if they were band members.

It wasn't easy, but the year was not a complete disaster. Some frosh even had moments of stardom. Sue Iezzi won the position of freshman representative to the Homecoming Court. Kathy Kerr earned regal status of class president while Tina Malone, Kim Howze, and Michelle Huggard were vice-president, secretary, and treasurer. Fifty percent of the Trojan band were freshmen. The sports teams did well with the football team accumulating the most successful mark, a 6-1 standing. Jason Jones, a college prep student, started for the high school JV basketball team. Sue Kovach, Kathy Kerr, and Sue Iezzi won spots on the wrestling cheerleading squad.

All in all, it was a year of growing, maturing, learning. We joined the ranks of the Trojans and grew up a little. Looking back, it was worth it, and we looked forward to being sophomores.

Seniors Cast *The Miracle Worker*

On November 19 and 20, 1982, the Class of 1983 presented the drama *The Miracle Worker*. The play dealt with the desperate life of Helen Keller, a deaf and blind girl struggling to reach the outside world. Annie Sullivan, a young, ambitious teacher from Boston, reached into Helen's mind to teach her to communicate through the use of finger language. The piece centered around the trials through which this patient woman went. The play was presented with a variety of staging techniques which added to the effectiveness and potency.

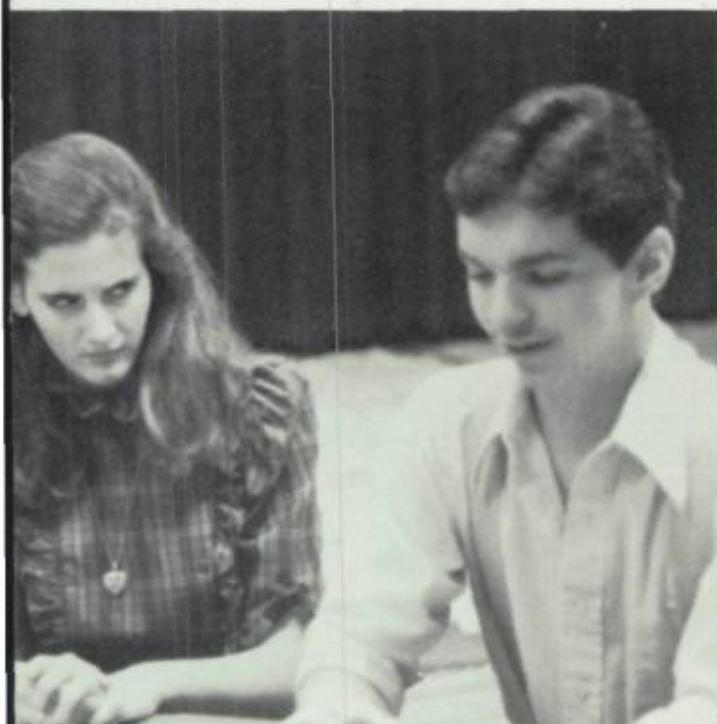

Portraying Helen Keller was Ann

Suchoza; the role of Annie Sullivan was played by Jill Snyder. Helen's father, depicted by Scott Lessig, and her mother, performed by Robin Morrell, were the frantic parents desiring a normal child. Other seniors participating were Craig Antonio as James Keller, Holly Kerr as Aunt Ev, Jim Lang as Dr. Anagnas, Maureen Barber, Tim Boatwright, and Jessica Hines. Acting as stage managers were Mary Sheperak and Bonnie Wanish. Directing the work were Mrs. Liane Heydt, Mr. Nelson Burnett, and student director Kim Ott.

Drama Club Performs For The Roar Of The Crowd

The drama club was one of the activities open to students in all four grades. Mrs. Liane Heydt and Mr. Nelson Burnett were the faculty advisors to the 35 member organization. Members not only acted in plays, but also helped in set design, make-up, props, and design of posters and programs. The club sponsored a series of workshops where students and faculty advisors from area colleges and theatre schools showed PHS students the proper application of make-up, techniques in reading, preparing, and staging. The drama club put on the senior and junior class plays and many of the cast members belonged to the club. They put on a variety show of short skits and musical numbers in the spring. Mrs. Heydt and Mr. Burnett ended the year's activities by taking the members to New Hope where they entered several plays in competition.

Brian Kordish and Chris Knittle took part in the Christmas assemblies put on in the elementary schools.

Choir And Stage Crew Use Talents To Benefit PHS

The '83 choir was composed of thirty-one students from all four classes under the direction of Mr. Wesner. To prepare for their performances, they practiced during the second period five days a week. They performed a Christmas concert, a spring concert, and made several other appearances during the year. All their

hard work paid off as six members — Holly Kerr, Mary Sheperak, Ann Suchoza, Brent Zern, Trinda Garner, and Jim Schiel — qualified for the District Choir that was proudly hosted by the Pottstown choir in February.

The stage crew set up scenery and microphones for plays, pep rallies, and assemblies, and supplied the man-

power for all school activities in the auditorium. Bob Skean was the manager of the fifteen member crew and Mr. Steve Lloyd was the advisor.

The student body appreciated the time and work put forth by these two fine organizations to benefit the school.

You Always Can Account For Students Being Late

Instructed by Mrs. Leveille, the attendance room aides performed their daily tasks of keeping attendance records and tardy forms for all students.

In the school bank Mrs. Edith Chesney, Pam Barndt, and Shelly Miller account for all the money deposited by all school organizations. They count over \$15,000 each month and write approximately \$8,000 to \$12,000 worth of checks.

Health Assistants Prepare For Future Careers

Craig Antonio prepares to donate blood to the Red Cross.

The Future Health Careers Club was a career-oriented service group advised by Mrs. Marlene Falvey. It was comprised of approximately 30 members. Their field trips included a trip to West Chester State College for a career orientation and a trip to a cerebral palsy clinic. They organized and sponsored the annual student blood mobile, and they invited the community to their annual open house which was held on April 20.

The health room aides were nine students who assisted Mrs. Guest in the health room. Their duties consisted of pulling records, filing, using schedules to contact students, calling students to the health room for testing, giving assistance when school physicals were given, distributing and returning passes to teachers, and maintaining daily duties like answering the phone.

Leader Corps Make Gym Classes Run Smoothly

Did you ever wonder why there were extra people in your gym class? And why they never stood in line like the rest of the class? These people were members of the Girls and Boys Leader Corps, and they did have a right to be out of line. Members of the Leader Corps were required to be a member of at least one athletic team. Before and after school and during study halls, they assisted the gym teachers. They prepared equipment and super-

vised locker rooms. The officers of GLC were president Erin Jones, vice-president Sue Shirey, secretary Carla Daniels, and treasurer Lauren Fuerman. The GLC had a play day with Owen J. Roberts, a long hiking trip to Hawk Mountain, and a camping trip. The advisors were Miss Whistler and Mrs. Frederick. BLC was advised by Mr. Edwards. The officers were Don Arters and Scott Gilroy.

During the one day meets students earned individual and team points which were totaled to determine the winners. In 1982 Steven Fox earned the second place trophy, and he led the team in '83.

The ski club was a great way for students grades 9 to 12 to learn to ski and to have fun at very moderate costs. During the winter the club made weekly trips to Doe Mountain, accompanied by Mr. Novak, Mrs. Munz, and some enthusiastic alums.

Students In Name Organizations Receive Honors

Two valuable organizations were National Honor Society and student government. National Honor Society was led by Mr. Armato. Members were juniors and seniors who had acquired and maintained an 88 percent average throughout the school year. In the fall Honor Society sold M and M's. They planned an academic tournament with Spring-Ford. As a service organization they aided the Special Olympics, hosted school events, and tutored.

Graduating seniors were honored at Commencement by wearing blue or white stoles. The seniors were also honored by the Board of Education at a school banquet and at a second banquet hosted by the Ambucs.

Student government was an organization which provided a meeting place for student discussion and a way for student concerns to be brought to the attention of the administration. Under the leadership of Mr. Grant and

the officers, the government functioned to initiate ideas for the improvement of the school. They discussed alternatives to suspension, initiated a dress-up day monthly, stimulated pride in our school, and organized PIPPS activities. On February 2 they held a tea to recognize individuals and businesses of Pottstown community who have been faithful supporters of PHS activities.

Spanish And French Clubs Investigate Cultures

The Spanish and French Clubs, under the direction of Senor Baker and Monsieur Derro, respectively, were very active. Both clubs sponsored trips to Mexico and France over the Easter vacation. They traveled to learn about other cultures and to understand their languages better.

Both clubs held regular meetings

and fundraising events. The Spanish students held their annual Christmas party, sold calendars, and sold candy. The French Club sold cheese and sausage, sold Christmas candy, and held an auction. The money raised was used to help the participating students pay for their trips.

PHS Band Marches Away With Awards In '82-'83

The '83 PHS band under second-year director Mr. Charles Dressler, had a very productive and entertaining year. Under field conductors Karen Marshall and Kendra Read the marching band received many outstanding awards, including best overall band at the Downingtown cavalcade.

Their annual Christmas concert was a very successful performance with a woodwind quintet and brass choir adding to the holiday spirit. Five members of the band received the honor of participating in the District

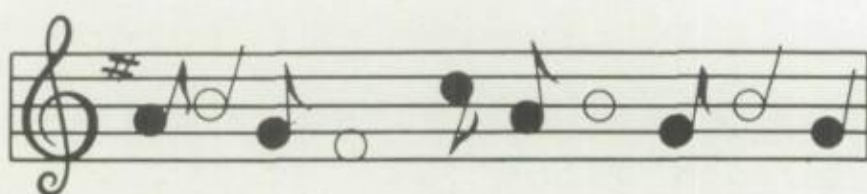

Band Concert. They ended the year with a spring concert.

The jazz band was very gratifying, going to competitions at Daniel Boone, Bishop Kendrick, and Muhlenberg. Their adjudication numbers included many fine soloists.

To raise money for future trips and to pay for transportation to cavalcades, the entire band participated in a cheese and sausage sale, a fruit sale, an Easter candy sale, and the ever popular hoagie sale.

Troiad Staff Names The Many Faces Of P.H.S.

What did you get when you put twenty-two students, one advisor, a beat-up typewriter, one radio (extra loud), a ladder diagram, grease pencils, bright orange croppers, a Wizard of Oz trashcan, and icicles hanging from the windows in one room? You got the '83 Troiad staff.

The making of the Troiad was not just a one-period-a-day job. Planning began at the end of the summer before school opened. At this time the staff

determined how the book would be organized. The business staff campaigned to solicit patrons whose contributions brought down the cost of the book to students. When school opened, the seniors had the tedious job of forming the senior section. Throughout the year the entire staff had many deadlines to fulfill. Deadlines created a vast amount of work for the editors, for each page had to be checked by the

editors before it was submitted to the advisor.

The editors — Jerry Lubinsky, Lori Zerbey, and Heather Downie — with the seniors Don Neiffer, Maureen Barber, and Lisa Hoffman, the advisors Mrs. Huddy and Mr. Kovach, and the rest of the editorial staff had the privilege of creating your '83 Troiad, that we hoped represented all aspects of our high school life.

Cosmetology Club Helps Make-Up The School

The Athletic Association was under the supervision of Mr. Jan Fritz. The store which sold student supplies, Trojan clothing, and snacks was open before and after school. The profits were used to promote the athletic programs of the school.

The cosmetology club under the supervision of Mrs. Donna Carpenter was a career oriented club through which the cosmetology students explored the professional opportunities which will be available to them after graduation.

The art club was the newest club of the year. Sponsored by Mrs. Eva Yashinsky, the club was a service club for the school and community. They painted murals downtown and silk-screened many t-shirts for the senior class play.

Coach Weller And Team Earn The Name Of Trojans

The 1982 Trojan football team did something totally unexpected. Although they had an entirely new coaching staff, including head coach Mr. Dan Weller, and had only 2 starters returning, they played like veterans to chalk up a 6-5-1 season.

They started with Holy Name and won 14-0. They then traveled to Phoenixville where they defeated the always tough Phantoms 13-6. The next three weeks the Trojans played teams that were considered the best three in the league. The first week they played Coatesville and, despite a two touchdown effort by Scott Glenn and an 84 yard touchdown kickoff return by his cousin Colin, they lost a well played game to the Raiders, 28-22.

They lost the next week 28-15 to a solid Henderson team, and lost another heartbreaker 3-0 to Springfield despite an almost perfect defensive outing.

The next four weeks the Trojans began to get the breaks. Thanks to more than 400 yards and 5 touchdowns by the Glenn cousins, they overran East 35-29. They beat Pottsgrove 22-14 in in the Homecoming game, during which Jeff Satterwhite set a school record with a 99 yard touchdown run. They defeated Boyertown and Great Valley with a mixture of fine running, good quarterbacking, and a swarming defense.

They were defeated by Down-

ingtown but then came on strong to tie a highly favored Pius team 6-6, due to excellent defense by Satterwhite and Green. When the Trojans traveled to Bucktown for the annual Thanksgiving game, the Wildcats came out ready for football and took a 20-0 lead at halftime. Colin Glenn socred twice, but in the end the Blue and White came up on the short end of a 20-13 score.

The JV team turned in a 3-6 record against a tough schedule. The freshman team, led by Jones, Braun, Brinkley, Johnson, and Glenn, turned in a 6-1 season, while the 8th grade team had an undefeated seson, 6-0. These teams promised Trojan football for a long time to come.

Bob Hartman has been the Trojans' student equipment manager for six years. In that time he has attended practices and games, repaired and maintained equipment, and has kept the inventory.

Dan Weller, Dave Reidenauer, Larry Delewski, and Ron Gumbarge

Pottstown's JV finished 3-6.

Trojanettes Earn Respect; Finish Third In C-M

The Trojanettes field hockey team experienced a successful season, using their skills, speed, and aggressiveness to win 7 games, tie 4, and lose only 2. Despite such a fine record the team had to settle for a well-earned, respected third place. Their success was accredited to the fine coaching of Miss Whistler, the hard work and time put forth to develop

skills, and the teamwork and spirit displayed by the players.

Players receiving All ChesMont honors on the first team were Crystal Gibbs, finishing her career with 29 goals, Sue Shirey, and Chris Karpinski. Mandy Weidner was named to the second team.

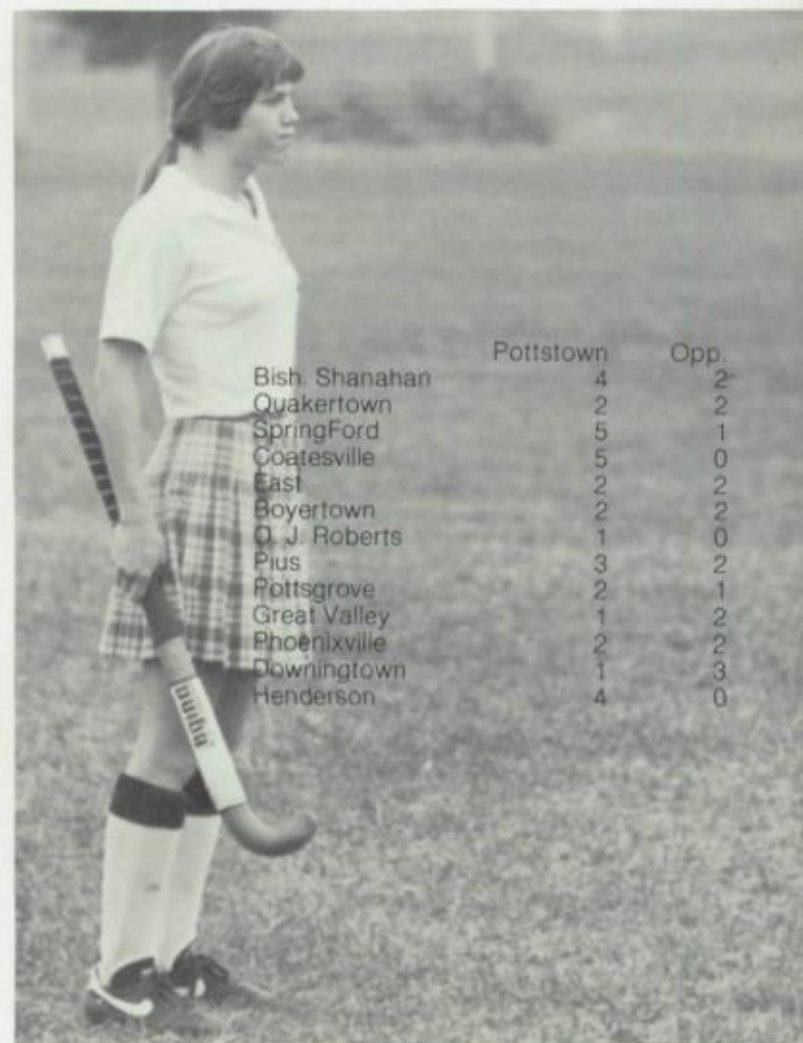

The J.V. team, coached by Mrs. Powell, performed much better than

their misleading 0-10-3 record indicated. As the season progressed, the team's skills and attitudes improved.

Mrs. Kathy Goodhart, coach of the 2-5-3 ninth grade team, emphasized the determination the girls showed against the tough teams in the league and the constant improvement her young team displayed.

Trojanette Harriers Capture Ches-Mont Crown

The year 1980 marked the debut of the girls' cross country team. Since then, the Trojanettes lost only one meet, leaving them with an overall record in the ChesMont League of 23 and 1.

The girls finished the '82 season with an undefeated 8-0 record. Junior Jill Swavely became ChesMont Champion for the third consecutive year. Jill held the school course record with a time of 18:16 and the ChesMont record with the time of 18:32. She placed 10th in the District I AAA championship and 26th in the PIAA state AAA chamion-

ship. Jill was selected as the recipient of the annual Old Timers Award and was Athlete of the Month.

Another outstanding senior member of the team was Erin Jones. Erin placed 3rd in the ChesMont championship and was chosen for the All ChesMont Team for the second year. She placed 13th in the District I AAA championship, 68th in the state championship, and 24th in the Philadelphia Marathon.

Co-Captains were Kristy and Kathy Russell. Kristy placed 7th in the ChesMont championship and was chosen All ChesMont for the second year.

Promising underclassmen who helped boost the team to their undefeated season were Kristy Beasley, Carla Daniels, and Jeannette Byerly.

The male Trojan harriers experienced a tough building year. The young team was inexperienced and sometimes lacked enough depth to field a complete team. But individuals showed improvement and bettered personal records. Both teams shared the outstanding coach, Mr. Lawrence Harvey.

Mighty Trackers Hop, Skip, And Jump To Victory

With Coach Harvey and Coach Ellison at the stern, Pottstown's track season got under way with the girls' indoor winter track team participating in many meets. Among the record breakers during the season were seniors Erica Flagg throwing the shot-put and Erin Jones breaking the 2 mile record with 11:48:07. Senior Kristy Russell ran 3:05 in the 1000 yard run. Junior Carla Daniels broke her own high jump record with a leap of 5'3".

In the spring the girls with a large nucleus of seniors and juniors accomplished their most successful season. The girls relay teams were outstanding at the major meets — Pacer Relays, Penn Relays, and Venzke Relays.

The boys' team under the direction of Mr. Weller and Mr. Rogers used their experience to have a successful team. Some of the key people were sprinters Jeff Satterwhite and Scott Glenn, quarter miler Colin Glenn, and hurdler Leroy Pearson. In the field events were Cameron Flagg (long jumping and triple jumping), Don Arters, Dave Weller, Chris Bradshaw, Jason Boekhoudt.

Senior Bob Fryer Serves As Leader Of Tennis Team

Bob Fryer

The 1983 boys' tennis team, coached for the fourth year by Mr. Rick Barletta, worked together to form a very competitive team. The team was led by outstanding senior player Bob Fryer, one of the top players in the league. In the past four years Bob had competed successfully in numerous tournaments, some as far away as Florida.

Other returning members who did well were singles players senior Tim Boatwright, junior Greg Thorpe, and sophomore Rick Dulis.

Doubles players were seniors Scott Gilroy and Ramon Benitez, and sophomores Todd Butler, Matt Kerstetter, and Tim Bradley. Coach Barletta was pleased with the unexpected talent from new members.

83' Lacrosse Draws Attention Through Hard Work

The 1983 lacrosse season was once again marked by the return of seagulls and shin splints. Running up hills and through mud was a major part of practice as was the teaching of strategic plays by head coach Mrs. Jenis Frederick and new assistant coach Mrs. Margaret Munz. The Lady Trojans had many experienced players back

this year and many talented newcomers. The coaches and players were optimistic from the start. The concentration of the players began with practice and continued throughout the season. The season of hard competition and aggressiveness was aimed at bettering their 1982 record.

Trojan Baseball Is Red Hot

The Trojan baseball team opened its 1983 season with four returning lettermen — Mike Pollock, Brian Weller, Jerry Lubinsky, and Ron Levan. The squad was supported by five other seniors — Bob Evans, Don Neiffer, Kevin Kriczky, Larry Massengill, and Rich Skarbek. The remaining members were Craig Feight, Bill Kerr, Bill Smale, and a talented sophomore Mike Neiffer.

Since most of the players were newcomers to the varsity scene, Coach Kerr stressed discipline, good attitude, and hard work on fundamentals. Mr. Kerr felt that if these principles were adhered to his teams would have a good chance at a successful season.

The junior varsity team was coached by Mr. Daryl Saylor and the freshman team was handled by a new coach, Mr. Mark Draushak.

The 1983 girls' softball team was led by returning lettermen Gina Dmiterchik, Crystal Gibbs, Nancy Myers, Kathy Skavinsky, Robin Mourar, and Sue Jefferson. GOLF. FIRST ROW: M. Kerstetter, P. Lang, R. Lewiski, E. Fox, J. Ruyak, M. Bradley. SECOND ROW: Mr. Davis, B. Smale, D. Hillbish, C. Keller, J. Lubinsky, D. Schadler, R. Skarbek, G. Mauger, J. Pascucci.

The 1983 golf team under Coach Davis opened its season with an inspiring win over Spring-Ford. The team won only two other matches, a record which was to be expected for a very young team. The underclass lineup consisted of Gary Mauger, John Pascucci, Bill Smale, Chris Keeler, and Rick Lewiski with seniors Jerry Lubinsky and Rich Skarbek leading the linkers.

Although their overall record was 3-8, the team's placing in the ChesMont match at Englewood Golf Club was a respectable position which picked up points for their league standing. Senior Rich Skarbek received the most improved golfer award, while senior Jerry Lubinsky was voted to the All ChesMont second team and received the MVP award.

Pottstown Grapplers Defend District I Title

Despite the loss of eight wrestlers from the Trojan line-up of last year's District I championship team, a winning season was achieved. Overcoming stiff competition for which the ChesMont league is noted, the grapplers managed to reach a mark of 8-3 in the ChesMont and 10-7 overall.

Motivation, desire, determination combined with the help of the coaches to enable each wrestler to improve.

The SpringFord Christmas Tournament was a new experience for some and an old acquaintance for others. Championships were won by 98 pounder Steve Fox, 155 pounder Robert Douglass, and 167 pounder Paul Green. A third place finish was earned by Jeff Satterwhite.

Junior wrestler Paul Green was placed in the spotlight by obtaining the number one position in the area

scholastic wrestling race and by being named February's Scholastic Boy Athlete of the Month by the Pottstown area chapter of the Sports Hall of Fame. Paul attained an unblemished record of 21-0-0 with an awesome total of 14 pins before advancing to post-season tournaments. Other outstanding records belonged to Steve Fox, 16-1-1; Jeff Satterwhite, 13-3-0; and Robert Douglass, 20-1-0.

Trojanettes Enjoy Berth Into ChesMont Playoffs

This year marked another fine ChesMont season for the Trojanette basketball team. Coach Rick Barletta and assistant Mike Missimer were very pleased with their team's performances. The Trojanettes finished with a 14-2 ChesMont record and a 17-4 overall. The starting five were Francine Ingram, Monica Charles, Judy Shaner, Sue Shirey, and Crystal Gibbs. The girls took their ChesMont opener

against Phoenixville and were on route for Coatesville. They were defeated despite Crystal's 13 points.

The most exciting game for all players was against Boyertown. They not only beat the previously undefeated Boyertown, but Crystal Gibbs joined the elite group of 1000 point scorers in PHS history. The next test was to beat Coatesville on the home court. The Trojanettes beat the

Raiders 55-49 in a team effort. The remainder of the season took its victorious course.

The junior varsity ended their season with a 10-6 ChesMont record and 12-9 overall. Although hampered by many injuries, the team under a new coach still pulled out a winning season.

The freshman team had a record of 6-9.

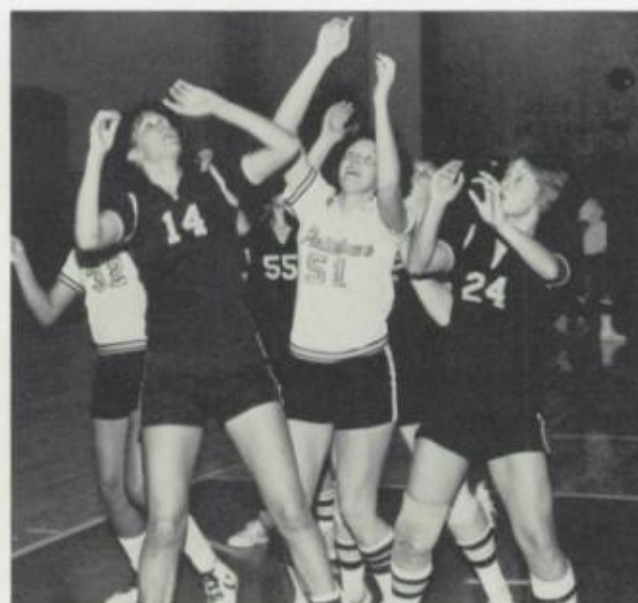

Crystal Gibbs surpassed 1000 points.

Trojan Cagers Jump Into District Play-offs

The Pottstown Trojans went into the '82-'83 season highly touted as one of the best teams in the league. It appeared that the Trojans were living up to their ranking by pulling off an upset over Coatesville, ending a Raider 57 game win streak. They slid into a bit of a slump but were able to pull out fourth place and secure the final spot for play-offs and districts with a decisive victory over West Chester East. They headed into the play-offs with a respectable ChesMont record of 11-5.

The team was led by seniors Brian Harris, Eric Douglas, Presley Hamlette, Colin Glenn, and Troy Keys. Returning lettermen next year include: Rodney Watson, Scott Glenn, Ira Flynn, Todd Whitehurst, Jerry Robinson, Barry Lacey, and Leroy Pearson.

The team was very competitive and carried much depth. Scott Glenn, Rodney Watson, Ira Flynn, Brian Harris, and Colin Glenn earned starting positions among a field of excellent players that included sixth man All

ChesMont Eric Douglas and Presley Hamlette.

"It's been a very difficult year with a lot of difficult decisions," said Mr. Davis, who coached the team to an overall record of 14-6. "But the kids have been great through it all. The attitudes have been great and we finally appeared to come together as a team."

The JV team coached by Mr. Yersak finished with an excellent record of 17-3.

The varsity squad was made up of seven seniors — Carol Weiner, Lauren Fuerman, Robin Mourar, Jodi Freese, Jennifer Ogorzalek, Linda DiPietro, and Lori Zerbey — and three juniors — Lori Hofmann, Tara Yost, and Cindy Bransberg. The JV squad was led by Josie Ogorzalek, who held the best personal record on the team.

After seven years at P.H.S. Mr. Peter Reigner said farewell to us when he resigned his position as chemistry instructor to enter the world of business.

"You have powers you never dreamed of. You can do things you never thought you could do. There are no limitations in what you can do except the limitations in your own mind as to what you cannot do.

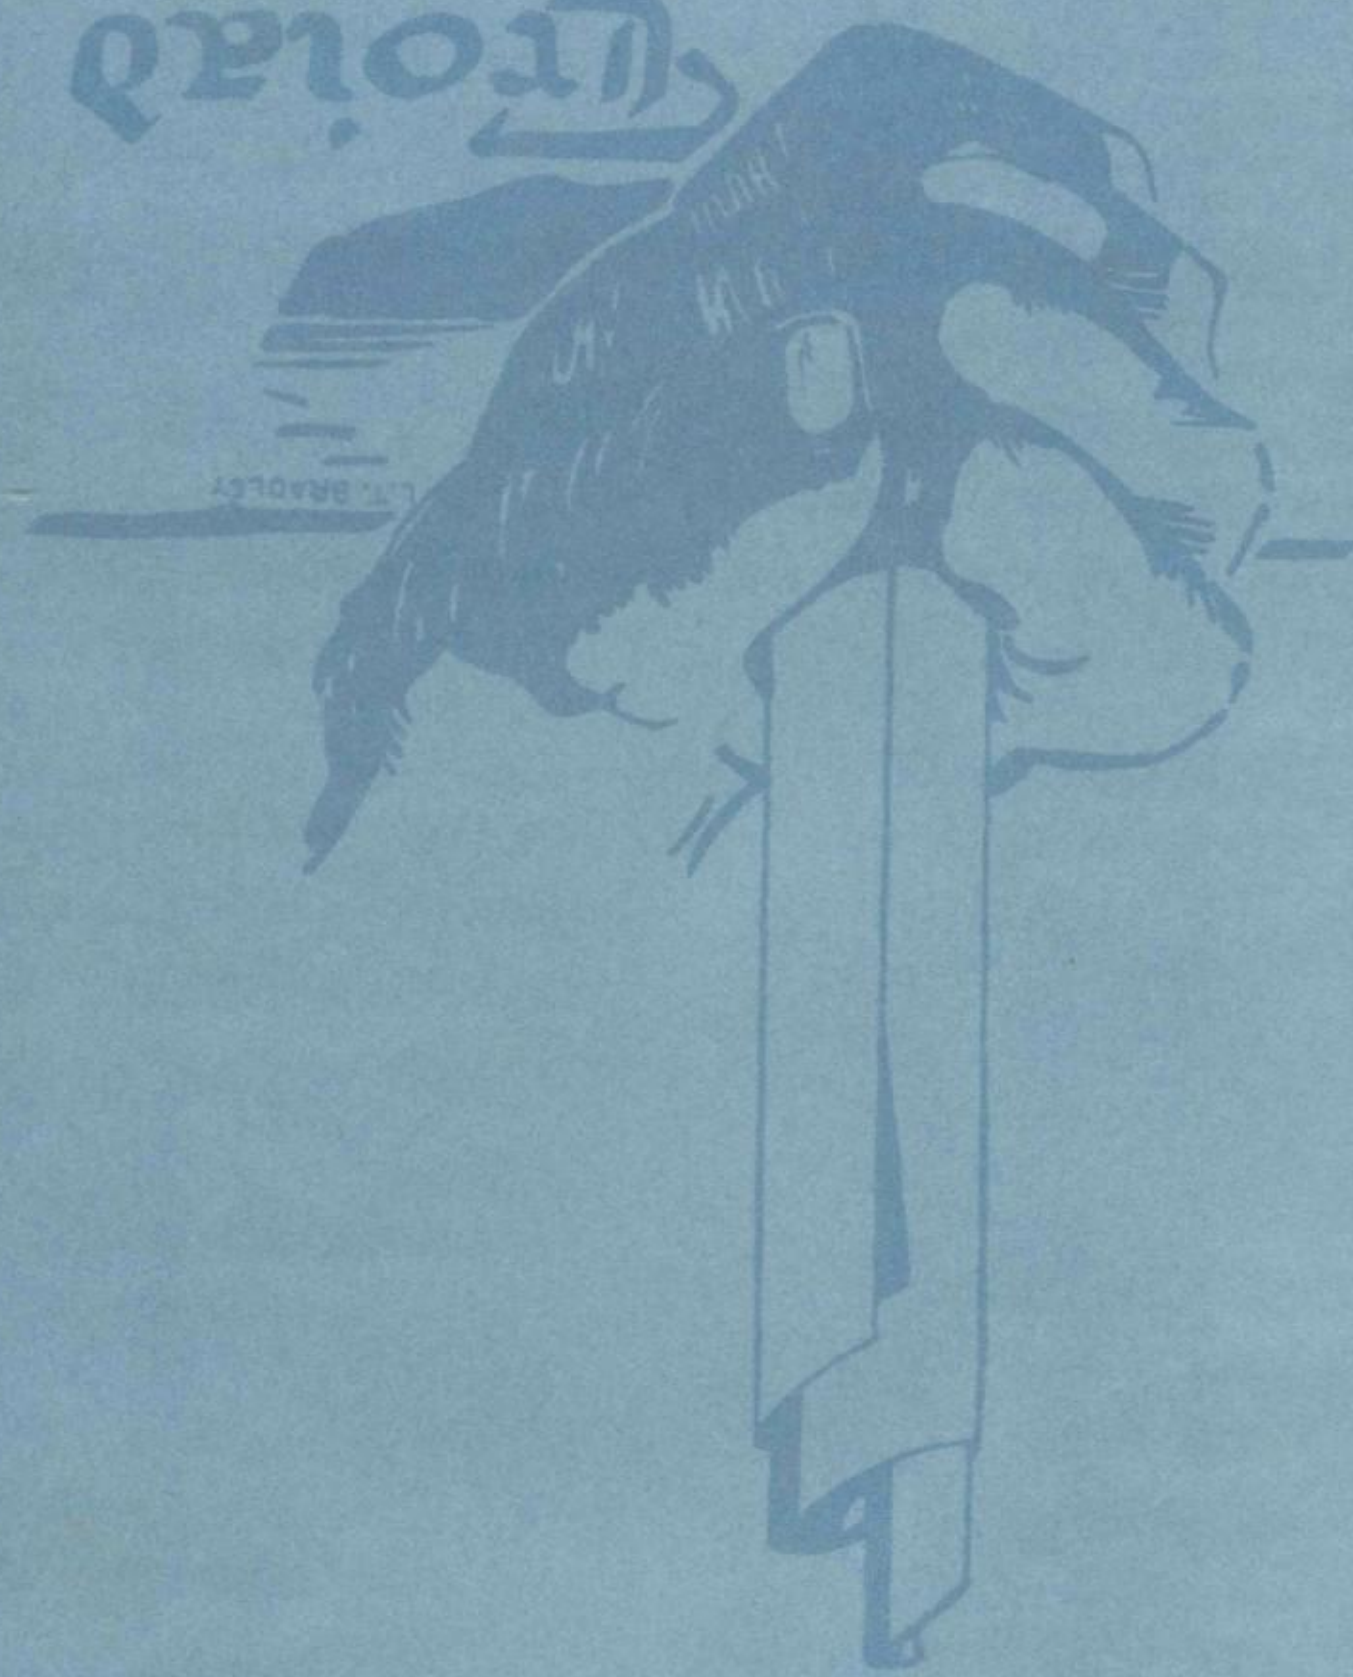

Don't think you cannot.

Think you can."
